We are excited to announce that Mountain View Jr. Sr. High School has been named the host of **The 84th Pennsylvania Association of Student Councils (PASC) State Conference**. This annual event brings together middle school and high school student leaders to engage in leadership training, networking, community service, and school improvement opportunities. The goal of the conference is to prepare students with the necessary skills and qualities needed to be successful future community leaders in the 21st century.

We are bringing the state conference to northeastern Pennsylvania **for the first time in a decade!** More than 1,000 middle and high school students in grades 5 – 12 and more than 200 advisors from across Pennsylvania are projected to attend the 2020 PASC State Conference.

Our theme, “Leadership Safari,” will draw emphasis on student leaders supporting, focusing, reflecting, and inspiring their councils, their schools, and their communities. We will accomplish this with nationally recognized motivational speakers, professional and student led leadership workshops, and networking activities.

Planning and organizing for this event begins 18 months in advance of the conference and requires a wide array of resources. We **want**, and **need**, you to be a part of this event by becoming a sponsor. The PASC State Conference will include motivational speakers, workshops, a vendor fair, a banquet, and a dance. Your sponsorship of a monetary donation or in kind donations will assist in providing the educational and motivational speakers, a wide range of student workshops during the conference, and help defray the costs for student attendees. Listed on the next page are sponsorship opportunities, which we would be happy to schedule time to discuss with you in more detail. Please choose a level that works for you and your business. If you would like to contribute at a level not listed below or if you have questions regarding event sponsorship, please do not hesitate to contact us.

We look forward to hearing from you and working with you as we prepare to host the 2020 PASC State Conference. We appreciate your investment in the future leaders of Pennsylvania, and ability to help us welcome student leaders from across the state, showcase our students, school, and community, and provide a memorable leadership experience for all attendees. If you would like more information, check out the conference webpage www.pasc2020.org or feel free to contact our advisor, Mrs. Andrea Aten, with any questions or sponsorship pledges at stateconference2020@pasc.net, or (570) 434-8221.

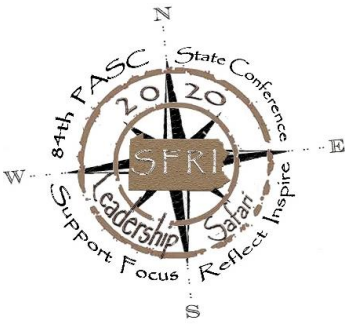

Thank you for your time and support.

Sincerely,

Sydney Barhite and Casey Congdon
