

2020 PASC State Conference Workshop Room Options

During the workshop rotations at Kalahari, we have the option of setting up our workshop spaces using one of the following 5 configurations. As part of the workshop application process, we are asking you to indicate your preferred room set up by ranking them Most Preferred to Least Preferred. We will do what we can to accommodate requests, and will share the Room Layout information when we share the final numbers for all approved workshops. Email workshops2020@pasc.net with any questions. Thank you!

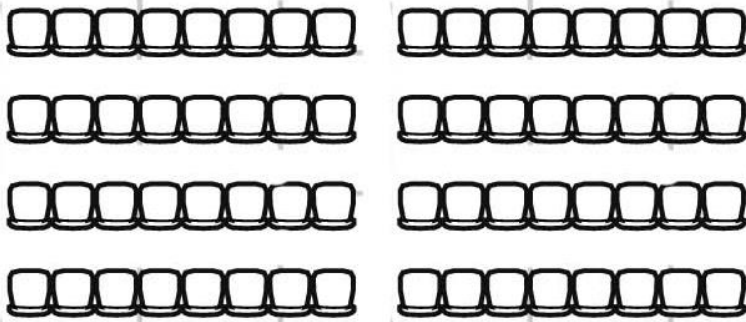

#1: Classroom Setting

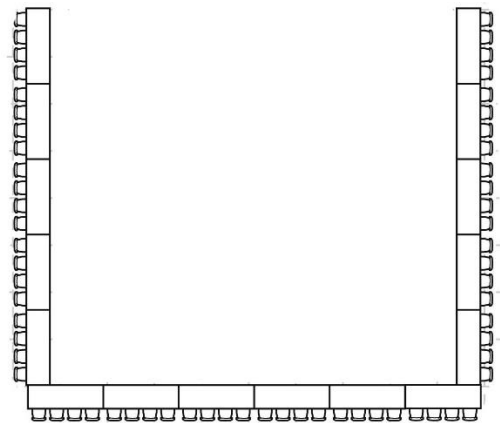

#2: Round Tables

#3: Theater Style (Just Chairs)

#4: U Formation
